## Our Mortgage Rates Have Dropped!

### Rates as low as 2.99% APR\*

You saw the home buying market heat up in spring, but wisely waited until the time was right. Good for you! Zillow research shows that while there is a greater selection of homes for sale in spring, it's also the most competitive buying season. This means prices may be higher and you could pay above the list price.

Ready to make your move? Start by prequalifying, then let our mortgage experts work with you to find a loan you can live with.

### Check out these cool Mortgage Rates!

10 & 15-Year as low as 2.75% APR\*

### Rates starting at 7.99% APR for November and December

## Guaranteed Asset Protection

**Protect Your Vehicle Investment, Not Just Its Value.**

Now you can protect your vehicle investment with Guaranteed Asset Protection (GAP). GAP is a non-insurance product and is made available via a loan/lease deficiency waiver that covers the "gap" between the vehicle's value and the amount you still owe.
