Auto Loan Special - EXTENDED!

Receive a 0.50% discount off the current auto loan rate, a new loan or a refinance from another financial institution.

Do you have a lease coming due in the next couple of months? NOW is the time to take action! The auto market is crazy and the vehicles are being sold for much more than their value.

“The generous incentives leasing companies used to give to bring down the price of leases have been disappearing as auto inventories have dwindled. Purchase prices are set at the beginning of a lease term, meaning the cars whose leases are coming up for expiration now are selling at pre-pandemic prices, offering the rare opportunity to profit from an auto lease.” – Yahoo Money

Don't waste any time! Call and get your pre- approval today!

Call Renee@ 203-237-6424 ext. 123 or email Renee@membersfirstctfcu.com and get pre- approved for a loan to buy out your lease.

Member Appreciation Month!

WHERE MEMBERS COME FIRST

Cyber Security Awareness

“Cybersecurity awareness involves being mindful of cybersecurity in day-to-day situations. Being aware of the dangers of browsing the web, checking email and interacting online are all components of cybersecurity awareness.”-Forbes

MembersFirst CT Federal Credit Union works closely with a local IT company that has a very strong cybersecurity background. We have partnered with this local IT company for over 17 years to make certain all member information is protected at all times. The Credit Union’s network has many layers of defense to keep you, our valued members safe and secure. Some of those protections include, real-time threat protection, Anti-virus, Firewalls and continuous staff training to be on the alert for suspicious activity.

As a valued Member of MembersFirst CT FCU, we ask that you do your part in protecting your identity by; having up to date Antivirus solutions for all your devices, not sharing account information or social security number (unless a known source) and mostly being aware of fake emails.

Phishing is “the practice of sending fraudulent communications that appear to come from a reputable source, usually through email. The goal is to steal sensitive data like credit card and login information or to install malware on the victim’s machine. Phishing is an increasingly common cyberthreat.”-Cisco

Should you have any questions on how to protect your information, please call us at 203-237-6424.
